Popular across Melbourne and country Victoria for over twenty-five years. Once you have tasted you just want more.

We source our ingredients from local suppliers and hand bake to perfection.

Yummy Hungarian Strudel (Hungarian: Rétes - approx. 1.4kg – makes ten generous slices)

These Hungarian strudels are hand made and baked using fresh ingredients rolled into crispy pastry, using a recipe that has been handed down and refined to delight your taste buds.

You don't just taste the fresh fruit in them, but you can also feel the chunks of real fruit – this is not soggy jam embedded in pastry but a gastronomic delight!

On hot days, serve straight from the fridge with a dash of whipped cream or a sprinkle of icing sugar for a taste sensation. In the winter, serve hot and enjoy.

Savoury pie (Börek, Spanakopita)

Our Savoury Pie is popular if you prefer a savoury treat – healthy as well as nourishing! Ideal with a side salad as a main meal.

The pie is approximately 30cm round and 2kg in weight, packaged in a 30cm pizza box. Divided into eight, each portion will form one delicious serve per person or meal.

Veggie patties - gluten free & vegan

We are introducing a new line that has been asked for by many people. Our jumbo sized veggie patties are vegan and gluten free, ideal in the lunchbox for a quick, filling, and nutritious meal.

Approximately 200g weight and 10cm round for one serve. Packaged as nine patties in a 30cm pizza box.

Bagels (Walnut – Hungarian: *Diós kalács*, or Poppyseed – Hungarian: *Mákos kalács* - approx. 1.2kg roll)

Made the traditional way with soft pastry and a spiral of flavor inside, these will bring back memories of feasts during trips to Europe. Added sultanas or cherry to round out the taste - Yum!

Storage and preparation to enjoy

All products are ready to eat. As the ingredients are fresh they will keep in the refrigerator for a week or so, or can be frozen for many months. Just thaw and reheat in oven for about 20 to 25 minutes at medium heat (150-180°C) until they are crispy and hot and serve immediately. Best sliced into generous portions with a serrated knife or electric knife.

All our products are suitable for vegetarians, and are peanut free. Ask for vegan as a special option.

Ideal for functions, weddings, anniversaries, visiting friends and relatives, birthdays, corporate, lunchbox, family meal, school fund raising, and especially enjoyed by children, grandparents, teenagers, and busy people on the go – everybody loves them.

Your delight is our delight!
