This Term in Acacia Place

A Message from the Leading Teacher

What a fantastic term it has been across Acacia! Our students have embraced a term full of learning, new experiences and plenty of opportunities to challenge themselves. From swimming and building water confidence to developing communication, independence and social skills in our classrooms, it has been wonderful to see our students learning, growing and, importantly, having fun along the way. There have been plenty of smiles, celebrations and those little moments that remind us why we do what we do!

A huge thank you to our Acacia families for your ongoing support, encouragement and partnership throughout the term. Your involvement makes such a difference to our students and helps us celebrate their achievements both at school and beyond. Most importantly, congratulations to all of our students on a wonderful term - you should all be very proud of the term you have had! Enjoy the break and hopefully find some time for a well-earned rest. We look forward to welcoming everyone back next term for more learning, more adventures and, no doubt, a few unexpected moments along the way! Have a wonderful break!

Acacia Place Spotlight

Swimming Fun!

What a fantastic time our students had at swimming! Each of the seven Acacia classrooms had the opportunity to participate in five consecutive days of swimming fun. There were plenty of smiles, laughter and lots of fun in the water. It was wonderful to see students building their confidence, developing their water familiarisation and strengthening their swimming skills, while also enjoying time together.

A big thank you to all our staff for supporting students and making the swimming program such a positive and memorable experience over the three weeks! A special shout-out to our PE teachers, Matt and Sean, for organising the program and making it all possible. 🌊 😊
