

LEGO MASTERS COMPETITION REGISTRATION FORM

The BHCS Lego Masters Competition is back!

Open to all students from Prep to Year 12 (either individually or in a pair).

With lots of prizes up for grabs - start thinking about your entry now!

The theme is "sustainability" but you are welcome to build whatever you like!

ENTRY REQUIREMENTS:

- Students must complete the below registration form and submit to reception before submitting build by Friday, 1st Sept.
- Students must work on their designs in their own time using their own Lego.
- All builds must be submitted with a written paragraph explaining the story behind the design.
- Entries **must be** submitted to the Discovery Centre on Monday, 4th Sept in a large box or tub with the student's names/year level, title of design and story attached.

Please note, whilst all care will be taken to keep the Lego creations safe, we are unable to guarantee that designs won't be touched by students.

WHAT IF I DO NOT HAVE ANY LEGO?

A limited number of school Lego kits are available for students to use if they do not have their own Lego. Students can build at lunchtime on Tues/ Wed/ Thurs using school Lego from 18 August - 4 September (see Mrs Eastwood for more details).

BHCS LEGO MASTERS REGISTRATION FORM

Please return this to Reception by Friday, 1st September

STUDENT NAME 1 : _____ YEAR LEVEL _____
