

# OUR NEW CANTEEN

CONNECTION / COMFORT / COMMUNITY

## THE BEATING HEART OF KILVINGTON

Welcome to the development of our long-awaited new canteen.

We are incredibly excited to offer a contemporary and stunning space that will deliver a range of healthy and delicious options to our students and staff, as well as a welcoming space for our community to meet and connect.

Built on the site of the science labs adjacent to The Green, the canteen will be a central hub where hearts, stomachs and relationships are nourished by meals over recess and lunch, and coffee and a muffin after drop-off. It will offer a lively meeting point for our students contributing to their sense of wellbeing and inclusion, and extend the opportunity for families to connect onsite.

Our new canteen is expected to be completed in early 2026.

## LEAVE YOUR MARK

We invite you to support this exciting and important new development. You can make a general donation – every bit counts – or purchase a brick engraved with your family name, which will be installed as part of the wall surrounding the community seating hub, leaving a heart-warming legacy for future Kilvington generations to come.

If you would like a bigger impact on the canteen, there are Naming Rights opportunities.

Our goal is to raise \$150,000 towards our appeal.
