Do you prefer print,
eBook, or Audiobook?

Personally, I prefer print,
but sometimes it's nice to
have it as an eBook when
you forget your book.

Do you have any reading rituals?

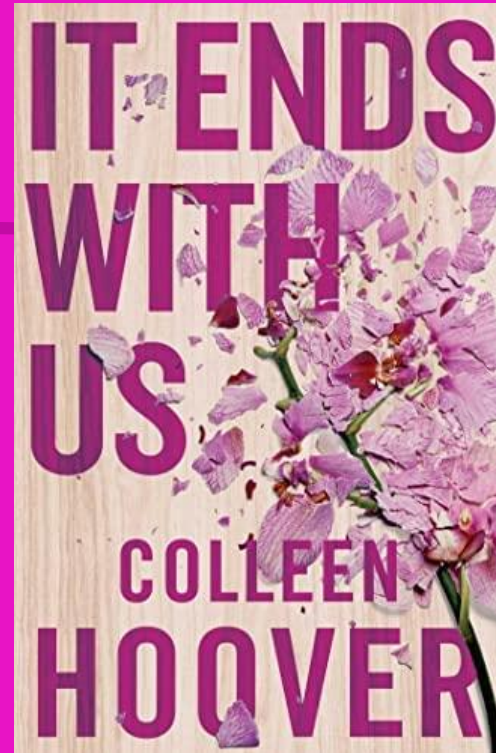

I like to read my book before bed, when I wake up, and on public transport, every other time is just an added bonus.

Do you track
your reading?

I track my reading through Goodreads, mainly so I can look back and see what else that author has written, see recommended books as well as what other books are similar.

Recent favorite book?

My recent favorite would have to be 'It ends with us' by Colleen Hoover. It's about a girl who comes from a home with domestic abuse, the girl hates her mother for not leaving her father, but as the story progresses, she begins to understand why.

A HEART OF ICE. A WILL OF STEEL. MEET THE ASSASSIN

What book would you recommend?

I would recommend different books to different people, but overall, the 'Throne of Glass' series by Sarah J. Maas. The story follows the assassin Celaena Sardothien. After a year of hard labor in the salt mines for her crimes, she gets given an ultimatum, become a highness champion, or serve in the salt mines for the remainder of her life.
