

The South Melbourne Primary School's after school Spanish Lessons is a new program offered to students wishing to learn and practice Spanish. The program is run by an external provider, Kids & Languages.

ABOUT THE PROGRAM

The After School Spanish program is full of games and activities to encourage children to learn and speak Spanish. Our focus is to provide as many opportunities during our session for children to listen and to speak Spanish. We are determined to make language learning simple and fun. No previous knowledge is required.
