

# COMMUNITYOSH NEWSLETTER TEESDALE PRIMARY SCHOOL

Our kids have been busy as usual at CommunityOSH this last fortnight. We have been exploring what it means to care and effectively communicate with one another through discussions and planned activities. Our Commosh kids enjoyed plenty of group play, imaginative play, games of guess who and UNO, and of course, getting creative with recyclables and making some special 'Dad You Rock' cards to celebrate our fathers and father figures. This week is set for another week of exciting activities for the last week of term 3! Thanks for joining us, CommOSH Kids, Rachael + Stacey.
