

WHAT'S BEEN HAPPENING IN SENIOR SCHOOL?

Reading Comprehension 1 GO 1 min

We are learning: about the industrial revolution

So that: we can learn about how people worked and lived in the past.

I will be successful if: I can note take on key information to then answer today's big question.

In Content Knowledge students have begun exploring the Industrial Revolution after having finished their unit on economy unit. During this unit students will explore the way the people lived and worked during this time interesting time in history!

In Text Construction students will be exploring persuasive writing through writing elevator pitches and incorporating persuasive devices.

In Numeracy students are learning to convert measurements like mass, capacity and length, while linking to everyday problems.
