

!!! Breakfast Club Needs You !!!

We are looking for some parents and carers to help with the Breakfast Club on Mondays and Tuesdays from around 8 am to 9 am (if you need to come later or leave earlier that's ok) to be able to keep this amazing, **free programme** going that's **available to all students**.

Tasks include cooking toast, cutting fruit, heating up baked beans and spaghetti, serving the 50-80 students who come through, then cleaning up and washing a few dishes.

We hope to have at least 25-30 volunteers so that you are only on the roster 2 or 3 times over the term. If you are able to help out, please return/send this note to your student's teacher or the front office.
