

## What's been happening...

In the last fortnight, we have been very busy! We celebrated Father's Day, where the children put a grab and go afternoon tea on for their dads and loved ones. The children were super busy the day before, baking and putting their best chef skills to the test! We launched our new adventure pack this month, Creative Inventors. The children have been LOVING exploring their artistic / performance sides of themselves and stepping out of their comfort zone! Some popular favourites include, Dance Break, Sketch it and Mini Performers!

We have continued with our cooking both in rise and shine / stay and play programs, having made our Father's Day treats last week, as well as vegetarian curry's! We have also continued with our outside sporting games, with many children getting involved with team spirit! Last week, we explored tastes of the world, where we explored Indian, Indonesian, Australian, Italian, and Chinese cuisine. Many children enjoyed trying new foods and stepping outside their comfort zones, Well Done!!
