

Need an OT Assessment?

WeSupportU are offering assessments for students these school holidays. The assessments available include:

- **DASH** - assessment of handwriting
- **BOT2** - assessing the gross and fine motor proficiency of 4-21 year olds
- **Beery VMI** - a non-speaking assessment that aids in assessing the extent to which individuals can integrate their visual and motor abilities
- **Sensory profile** - assesses responses to sensory stimuli across different environments

Places are extremely limited so book early!

An Occupational Therapy assessment can assist schools in securing NCCD funding for students where a formal diagnosis has not been completed. By undertaking and receiving a formal assessment report a school has the evidence to impute a diagnosis that can justify the need for additional support and an Individual Learning Plan without requiring a formal diagnosis. It will also give insight on the functional impact of any identified concerns on a students learning, whilst also providing classroom strategies to support ongoing learning for the student.

Bookings include: 1hr Assessment by Occupational Therapist and formal Assessment Report

Total cost: \$581.97

Report will be provided upon payment in full

All assessments will be conducted at WeSupportU
34 / 328 Reserve Rd Cheltenham

Dates in April:
Monday 7th, 14th
Tuesday 8th, 15th
Wednesday 16th
Thursday 10th
Friday 11th
