

## Emma's Secret

Piper screamed "I'm bleeding!!!! Look at all the blood."

The family were going on a holiday to Byron Bay, for her Aunty Micks birthday.

They were all hungry so they went to an R.S.L. for dinner.

After dinner Emma and Piper went to go and play on the pole and Piper was showing Emma a trick.

Emma wanted a go, so she pushed Piper off, and Piper landed on her head. She screamed and panicked.

Emma ran to get her Mum and Dad, "WHAT HAPPENED?" Mum said.

They all went back to the hotel and Emma was feeling sad and very guilty.

Emma kept what happened a secret for a long time but she never did anything like that again.
