Dear Parents and Carers,

2026 Annual Tuition Fee

I am writing to provide you details of changes in tuition fees for the 2026 academic year.

Any decision to adjust tuition fees is never made lightly, nor without careful and thorough consideration of our students' needs and our school's capacity to provide an education experience that supports every student to flourish. We are also cognisant of the financial pressures that many families have experienced this year.

St Andrew's, too, is facing increasing costs in multiple areas of school operations, including WorkCover premiums, Child Safety compliance, risk management, teacher resources and professional learning, and higher central system costs.

Our tuition fees at St Andrew's Primary School are also influenced by the Commonwealth Department of Education's calculation of our community's ability to financially contribute to the operating costs of our school, known as the Capacity to Contribute, or CTC, which is reviewed annually.

To ensure that we can continue to deliver a personalised, high-quality education that is responsive to the diverse interests and academic, social and emotional needs of our students, it is necessary to adjust our fees in 2026.

If you have any questions or concerns regarding the fee increase, or wish to discuss your individual circumstances, please do not hesitate to contact me. We remain committed to keeping tuition fees as low and affordable as possible, and to working closely with our community to make this transition as smooth as possible.

Thank you for your understanding. I am grateful for your ongoing support and trust in our school.

Yours sincerely,

2026 School Fee Structure

School fees assist the school in meeting the day-to-day costs of operating the school. This fee is charged per family.

Maintenance levies assist with the upkeep of the school. This fee is charged per family and will be removed if the family attends one of the scheduled Working Bees.

Building levies assist with school improvements and equipment purchases. This fee is charged per family.

Camp fees cover the cost of accommodation, food, transportation and recreational activities. This fee is charged per student in year 5 or 6.

Each year 5 & 6 student incurs a further levy to cover the Inter-School Sports program.
