

October 2024

Dear Parent/Guardian,

Collingwood College is looking forward to another great year of teaching and learning and would like to advise you of Collingwood College's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to upgrade teaching and learning facilities in specific learning areas, for example, our general classrooms, media laboratories, camps program, and music department. Our subject offerings have been expanded and there is ongoing support for the work of the homework centre including information technology aid for all students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Chris Millard
Principal

Geoff Rundell
School Council President
