

# BAXTER TEAMKIDS NEWSLETTER

## WHAT'S BEEN HAPPENING

This month children have been involved with varied activities ranging from passive/indoors to active/outdoors to keep them engaged while attaining educational outcomes. They were involved in planned activities like Lego Maze, sink or float, Number Bingo, Dead or Alive, TK Values display, Rock paper scissors race, guess the sound quiz and several spontaneous and child lead learning activities like playing chess, Twister, playing in the playground, making Halloween masks, running a live bug shop just to name a few .

This term children voted for running the cooking club and Art Attack club. If you have any great healthy family recipes you think we should try please let us know.

Our team loved seeing many of you at the drop off and pick up every day over these past few weeks and hoping to seeing you all and collaborating for achieving the individual learning outcomes for our children . Please feel free to write in our feedback book which is kept at the signage.

As we say at TeamKids 'Let the fun begin!'
