## Mother's Day in After School Care

6-10 May

Book now

A big welcome to all our families! We have had a great start of term already and look forward to what's ahead of us.

Term 1 provided us time to get to know the children through one to one as well through small group discussions. Experiences were planned according to getting to know the children and their families. This then allowed me to program according to discussions we had during these experiences, where children were able to express themselves while building a trusting and open relationship with us. Through these discussions the children had the opportunity to communicate their interests as well as drawing and writing down their interests. This allowed the children to explore the different ways that we can communicate while feeling a sense of belonging and supported.

### What's Happening: Big Art Competition

Big Artists, it's time to transform your most imaginative LEGO designs from paper to an actual model. Sketch your dream creation, submit your masterpiece, and stand a chance to see it come to life, crafted by the hands of Brickman himself.

I very happy to announce that from 15<sup>th</sup> April -24<sup>th</sup> May, we are celebrating children's creative talents and skills in our OSHC and the winners will be announced on 21<sup>st</sup> May. Our expert panel will select 40 winners including on grand prize winner! Winners will receive a LEGO Classic Creative Fantasy Universe set valued at \$149.99 AUD! Plus, the Grand prize winner will receive a 32cm x 32cm finished LEGO model of their artwork, created by Brickman!

### What's Coming Up?

Mother's Day is a special occasion to celebrate the love and bond between mothers and their children.

So, spend the next week with us celebrating Mom with the activities planned and programmed to surprise your mom with something special such as bouquets, love cards, beaded heart jewellery and many more.

Regards

Garima

## Activities coming up

- Love you to the Moon Card
- Flower Bouquet Card
- Big Art Comp Design Lego
- Emergency Evacuation Drill

## Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
