Around the Grounds

6A

6B

The boys were clinical with the ball hitting the right line and lengths. Good discipline while bowling with a wicket coming every over for the first 6 overs. An easy chase from the bats with well-placed shots and good discipline meant it was a comfortable win for the boys.

6C Blue

6C Gold

The boys arrived eager and excited for their game against Iona 6C. As they won the bat flip and selected to bowl, they began a difficult process of trying to collect a wicket, which after 14 overs finally occurred with Austin Given breaking the dry streak and then following it up instantaneously with another. Unfortunately, he was not able to collect a hat-trick, but those wickets allowed Iona to only get 3/82.

With the target set of 83 runs the boys starting to chip away confidently at the total with both Iggy and Zac leading the way with a combined 38 between them, with these two this team was able to easily track down the total ending with a score of 5/94 and a great victory.

Congrats boys and onto next week"

6D

The team delivered an excellent display of sportsmanship against Padua, with positive communication evident throughout the match. All members trained hard during the week, and those skills clearly translated onto the field. Noteworthy performances with the bat came from Harrison Kerse and Max Hammond, while Ethan Saunders and Raphy Pennisi led the bowling attack superbly. Jonty Lee was a positive and composed team captain who guided the side well.

5A

Iona 5A 169 def. Marist 5A 7/164

Following a week away at Year 5 Camp, and with limited time training or playing together, Marist entered the match on the back foot. Early signs showed, with the fielding effort lacking its usual energy and enthusiasm.

Iona capitalised through three strong batters who consistently challenged both the bowlers and the fielders. Several missed opportunities—including dropped catches and misfields—proved costly and allowed Iona to build momentum and post an imposing total of 169.

Despite the total, there were strong individual performances with the ball. Ben Van de Meeberg led the attack with 3/13, well supported by Charlie Maher (2/5) and Oliver Gardala (2/5).

Marist's run chase began in the worst possible fashion with a run out in the first over. Against disciplined bowling, and with several Iona bowlers making scoring difficult through tight lines and lengths, runs were hard to come by. At 3/54 at the drinks break, the challenge was clear—find ways to score and rebuild the innings.

The second half of the innings saw a dramatic shift. The runs began to flow and an unlikely Marist victory suddenly came into view. Arahan Bhatia and Oliver Gardala produced a composed and determined partnership, taking the game deep. Needing 12 runs from the final over, Marist pushed hard but ultimately fell just five runs short.

Arahan Bhatia finished on 38 (41), with Oliver Gardala not out on 26* (21), both showing great composure under pressure.

There is plenty to work on at training this week, both individually and as a team, but the fight shown in the second half of the innings provides a strong foundation. The group will be looking forward to turning the result around this weekend.

5B Blue

5B Blue started their Marist careers with a convincing win against Iona 5B, with a score line of, Iona 5B 9-64 (all out) def. by Marist 5B Blue 4-65 (19 overs). Even without any training sessions as a team due to school camp the boys were firing with the ball early. Big performances from Oscar Dimitrijevic and William Kneebone (with both gloves and ball), ending up limiting Iona to 64 runs.

Although a slow start in the second innings with the bat big knocks from Xavier Rawlin, Levi Ittensohn and Harry Casey led the boys to a comfortable chase in the end. Overall, a very impressive performance from the team and excited to coach the boys for the rest of the season.

5B Gold

The mighty players of the Marist 5B Gold side pulled up to Melrose Park, primed and ready for what was sure to be an incredible matchup against a strong Padua side. George Jarrett, better known as the 'G-Dog', was tasked with captaining the sides first hit out of the season.

The first innings saw the boys out in the field, producing a masterclass of bowling and fielding. From outstanding keeping from the likes of Jude Chalmers to some incredible boundary saves from Fred Hambleton, the lads certainly came to play. While it took a little while to get into the flow, the bowling was certainly the highlight of this innings. Resulting in an amazing 3 wickets falling in the final 4 overs. One wicket each, thanks to the fine-tuned skills of Levi Price, Matthew Tracey and Jack Wiggins.

After keeping the Padua side to only 135 runs, the batting expertise of the Marist boys had it all wrapped up. Thanks to a stellar performance from Matthew Tracey, carrying on from his bowling prowess, and a few quick-thinking ramp shots from Caleb Rosenstengal, the boys chased down the lead in just 21 overs.

Great effort all round from the boys. And if there's one thing for sure, it's that in 2026 the 5B Gold side will be one to watch. "

5C Blue

Marist 5C Blue got sent in to bat and looked very solid at the start, going at around 2.5 an over until an explosive 10* (9) by Jack Alexander at the end of the innings helped them to a respectable 3/55 after the 20 overs. In response, Iona looked good but constant wickets meant they could only make 7/48. Special mention to Tom Miller, who took 2 wickets in 2 balls, and Lachlan Bradford, who took 4 catches and had 1 run out behind the stumps.

5C Gold

5D Blue

Marist 5D Blue defeated Iona 5 Grey in a strong performance, beating Iona by a single run. Jackson Stark opened the bowling strong with a wicket in the first over. Harvey Craig continued a run of good bowling, taking a wicket in both overs that he bowled. Lyndon O'Reilly and Ethan Witter both made an excellent catch each, and the bowlers created plenty more catches that were unfortunately dropped. Lyndon O'Reilly and Harvey Craig opened the batting with excellence, making the most out of any misfields and playing clever shots past the fielders. Lyndon showed strong leadership, communicating concisely with his batting partners. In the end, the team was able to push through to 60 runs in 17 overs to win the match."

5D Gold

What a fantastic start to the season for 5D Gold!

The boys showed great determination and teamwork in their game against Padua, coming away with a well-earned win. A special mention to Zach Tohill, who did an excellent job captaining the team. He led with confidence and encouraged his teammates throughout the match.

With the ball, Patrick Feebrey and Matteo Avolio were awesome, bowling consistently. Their accuracy and control played a big role in the game. With the bat, Cooper Briggs and Robbie Neller led the charge, showing composure and strong shot selection to keep the scoreboard ticking over.

Most importantly, every single boy contributed to the win. From supporting their teammates or putting in 100% effort, each player played their part. It was fantastic to see such positive team spirit and teamwork on display.

A great team performance and a well-deserved win.
Well done, 5D Gold!

5D White

Despite it being the first game of the season, the boys put in an outstanding all-round performance, showcasing quality batting, bowling, and fielding in what is already an early contender for game of the season.

Padua won the toss and elected to bat, starting strongly before our bowlers hit back. Ethan O'Rourke claimed two wickets in an over, followed by Pat Muir-McCarey with three more, putting the team in control by the drinks break. Strong energy in the field after drinks led to multiple runouts and saw Padua restricted to 78.

With the bat, Zach Riordan's quick 13 (14) and Pat Muir-McCarey's 15 (17) set a solid foundation, with Harrison Pulbrook's back-to-back fours and 12 (12) keeping the momentum going. Chasing 79, we needed 7 from the final over and 2 off the last ball, but managed only a single, ending the match in a draw. A fantastic team effort that showed the all-round talent and potential of this group."
