

KELLY CLUB AITKEN NEWSLETTER TERM 2

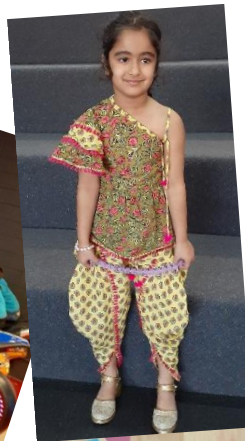

Welcome back to Term 3!

As our familiar faces return, we are looking forward to hearing all the things the children got up to during these school holidays.

At Kelly Club we had a wonderful holiday program that was jam packed with many fun and exciting activities. During the school holidays the children were engaged in many different activities, excursions and incursions. Some of the activities included were making rainbow toast, puzzles, Hawaiian themed activities, hama beads, dressing up in our cultures, creating Jurassic soap, plus much more.

For our excursions and incursions these holidays the children went to the cinemas, Bounce, Timezone and had a Harry Potter themed science incursion.

We also had plenty of visitors these school holidays. We had the pleasure to have Leigh Hobbs who is an author, illustrator and artist come along and teach the children how to draw some of his most popular characters from his books, such as Old Tom. Another special guest we had was a visit from our friendly neighbourhood Spiderman and his friend Spider Gwen. The children participated in dancing, games and got to see Spiderman do some cool stunts.
