

Dates to Diarise in Term 1

Medical Work Experience Overseas for High School Students

Projects Abroad has spent over 30 years helping our participants fulfill their potential and make the world a better place.

Projects Abroad offers a range of [Medical Work Experience](#) programs for high school students, and a number of the destinations are overseas. These overseas medical programs might be of interest to students keen to pursue studies and careers in medicine and healthcare.

These programs are designed for students in Years 10, 11, and 12 and run in the mid-year break and over the summer holiday. They are ideal for individuals or groups of friends. Projects Abroad has been running these programs for over 15 years. They are very popular with students from across Australia, New Zealand, Europe, and North America.

Projects Abroad will be running a *free* webinar that interested students and their parents might like to participate in.

Date: Tuesday 28 February 2023

Time: 6.30pm

Register at [Projects Abroad Medical Work Experience](#)

Group of Eight Universities

*The **Group of Eight (Go8)** is an association of leading Australian universities - comprehensive in general and professional education and distinguished by depth and breadth in research.*

The **Go8** universities continually aim to -

- enhance the contribution of its member universities to the nation's social, economic, cultural and environmental well-being and prosperity
- extend the contribution of its member universities to the generation and preservation of the world's stock of knowledge

- strengthen Australia’s capacity to engage in and benefit from global developments, respond to global and local challenges
- expand opportunities for Australian students, regardless of background, to participate in higher education of world class.

To find out more about the *Group of Eight Universities*, visit [Group of Eight Universities](#)

Discover Monash Seminar Series

Over the coming months, Monash University will be hosting a number of [Discover Monash](#) events or activities. Unless specified online**, these will be face-to-face events.

Participating in one or more of these events will assist students in making informed choices about their study options after Year 12.

The following events will take place in March, and students are encouraged to register early.

Monash Information Evening	Tuesday 7 March, 6.30 - 8.00pm	Register here
Discover Pharmacy and Pharmaceutical Science at Monash (Online)	Wednesday 29 March, 6.00 - 7.00pm	Register here
Discover Medicine (Online)	Wednesday 29 March, 5.00 - 6.00pm	Register here

Studying Law at Bond University

Let Bond Law drive your career!

Recently Bond University introduced a *new* specialisation that focuses upon the law, the science, and the human, social and commercial implications of climate change. Students in the [Bachelor of Laws](#) have the option of specialising in **climate law** and practice by completing a **Climate Law** specialisation. Interested students are encouraged to browse the website to familiarise themselves with the structure of the Bachelor of Laws course and browse the [Climate Law specialisation](#) and read the list of climate law subjects.

Careers in the Australian Defence Force (ADF)

Did you know that the ADF offers over 200 roles across a wide range of specialist military positions, support roles, traditional and technical trades, and professions that range from medicine to engineering?

Many of these jobs will suit students from diverse backgrounds and those who are not thought of as likely candidates for the ADF. They include jobs for the future aimed at those looking to make the most of their Science, Technology, Engineering and Maths skills.

To ensure students have the most up-to-date information on the opportunities available in the Navy, Army and Air Force, they are encouraged to explore the [Defence Jobs website](#) to help them find what their ideal role in the ADF might be.
