WHAT'S BEEN HAPPENING

Dear families,

Welcome back to school for the second week! We hope everyone had a great start to the term and is ready for more fun and learning. This week has been filled with excitement as we kicked off the Team Kids Olympics Club!

Our Olympics club has officially started, and the children are buzzing with excitement. They have chosen their favorite countries and formed their teams, showcasing their enthusiasm and creativity. The club will run for four weeks, offering a range of exciting activities and sports.

We held our first sports game, a relay race, which was a huge success. The children demonstrated great passion and enthusiasm, running with speed and determination. Their sportsmanship and collaboration skills shone brightly as they cheered each other on and worked together to complete the race.

Next week promises even more fun and excitement. The children will take on an indoor obstacle course, which will challenge their agility and teamwork. Additionally, they will get creative with a medal-making craft, designing their own unique medals to celebrate their achievements in our Olympics.

In addition, the Olympic Lunchtime Legends event will take place on the oval. Two sports games are set to run: the long jump and sprints. Whether you are jumping for distance or racing for speed, the event promises a fun and energetic atmosphere.

Thank you for your continued support and involvement in our before and after school care program. We look forward to another fantastic week filled with fun, learning, and growth.

Warm regards,

Eric

Director of Team Kids Before and After School Care
