We

Technology

CYBER SAFETY PROJECT

Our mission

Empower children to be safe and responsible digital citizens when using connect technologies.

Equip teachers with the tools and resources to develop proactive strategies through working with students, parents and the wider community.

Engage parents and assist with fostering positive and safe environments for digitally engaged children in the home.

Keep them safe

 Help

Restricted Mode

- Restricted Mode hides videos that may contain inappropriate content flagged by users and other signals. No filter is 100% accurate, but it should help you avoid most inappropriate content.
- Your Restricted Mode setting will apply to this browser only.

On Off

Lock Restricted Mode on this browser

Restricted Mode lock prevents others from changing the Restricted Mode settings on this browser.

Now available for iOS 12

Screen Time provides management tools for customers to control how they spend their time interacting with their iOS devices.

During Downtime, notifications from apps won't be displayed, and a badge will appear on apps to indicate they are not allowed to be used.
