RE: NEW GAMEDAY APP – HOW TO

Dear Basketball and Netball Families,

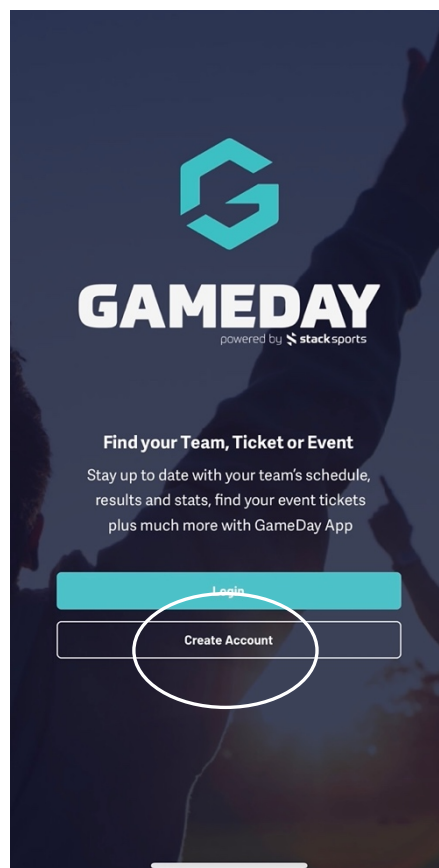

Great news – there's an app for everything, including the St Clair Basketball and Netball competition. Please find attached details of how to download the **NEW app** in order to stay up to date with fixtures and results. **IMPORTANT: St Clair are no longer using SportFix.** I would recommend downloading the app, as it is an easy and convenient way to find out when your child is playing each week!

STEP 1: Go to the app store on your phone and type 'GameDay'

Press download, or
'GET'

STEP 2: Press Create Account

STEP 3: Input your own details (not mine)

STEP 4: Check your email and confirm your email address

STEP 5: Search for teams

Type your child's **team name** in the search bar and press 'search'

The team will appear with our school logo. Click on your child's team.

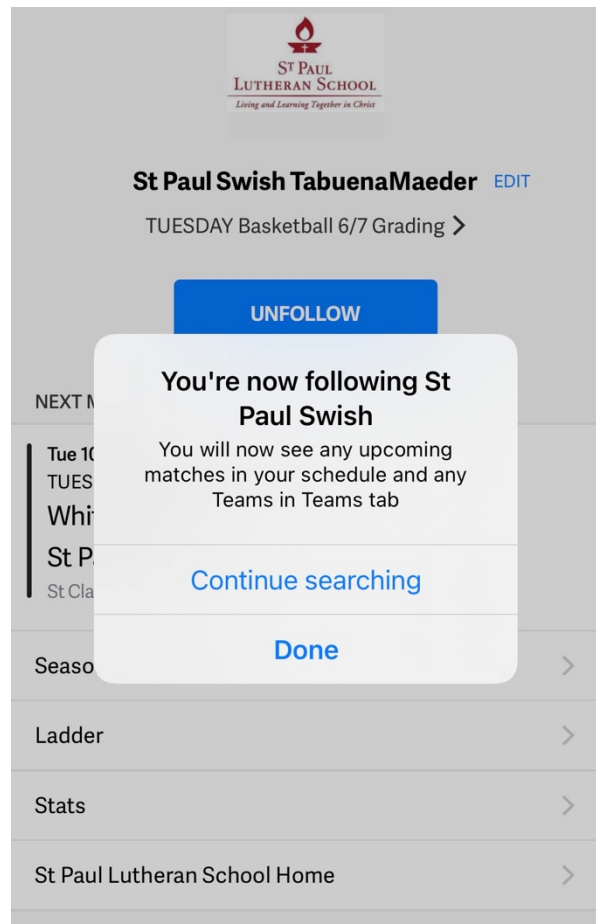

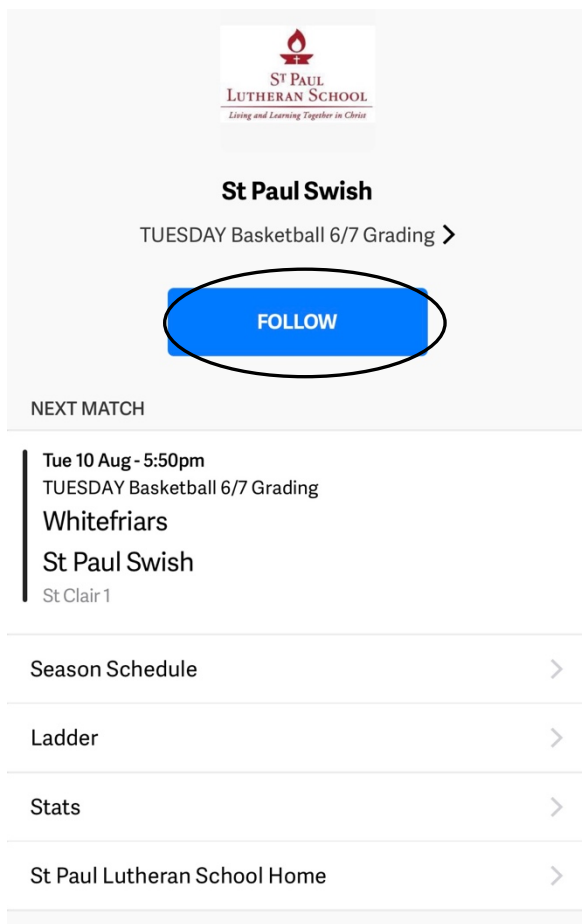

IMPORTANT: ensure you check you have selected the correct team, year level, **AND sport** (basketball and netball will both appear)

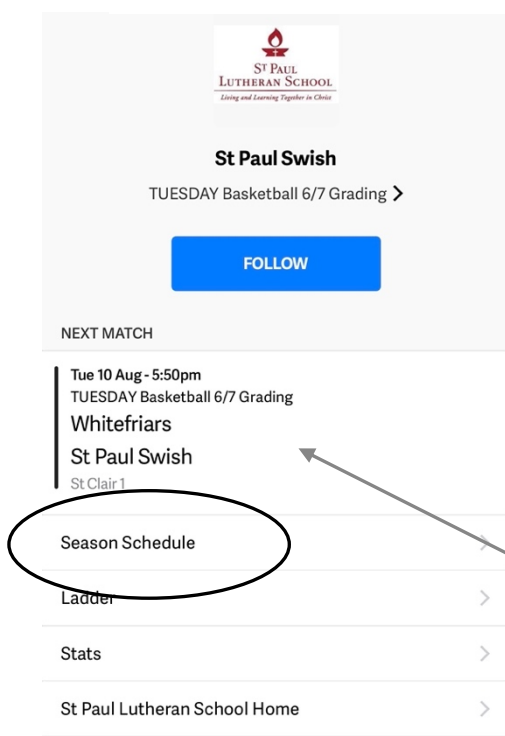

Click on the team/our school logo

STEP 6: Click on 'Follow'

You can add a nickname to the team if you would like to (*I have added coaches names*)

STEP 7: Accessing Game Times

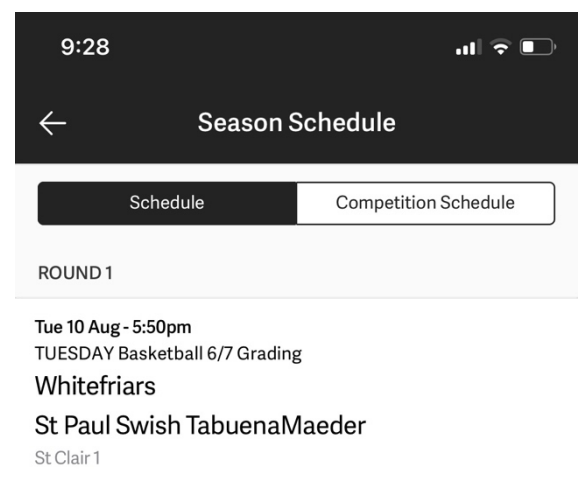

Click on 'Season Schedule' to view upcoming game times

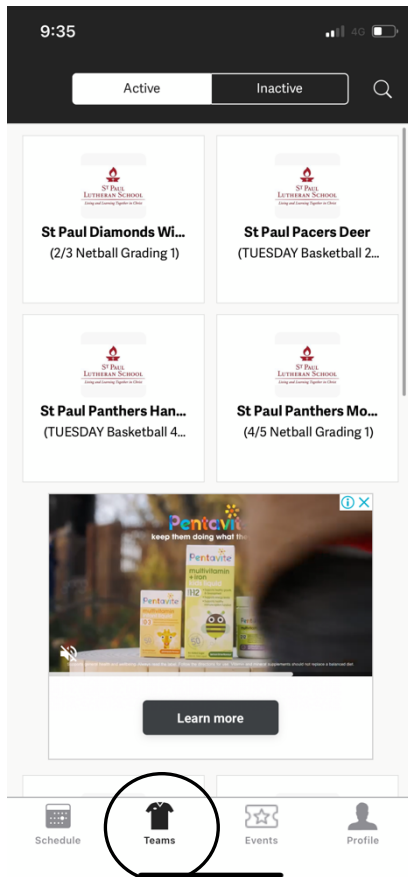

More games will appear when St Clair release the fixtures for the next rounds

Next match will automatically appear on the home screen

STEP 8: Press back or exit the app. Whenever you go back into the app, the teams you 'follow' will appear on the first screen

Important: If you get lost at any time, try and find this teams button – it will take you back to the home page

Please note: Coaches may not always have time to send weekly messages about playing times. **It is therefore the responsibility of parents to check their child's game time each week.**

With the sheer volume of teams St Clair has registered this semester, I recommend checking the app/fixtures **the day of games** to check for updates to game times/court locations.

Please let me know if you have further questions. You can reach me via email at: kbartlett@stpaulba.sa.edu.au

Happy playing, teams!

Warm Regards,
