SCHOOL COUNCIL FUNDRAISER

We are excited to announce that we are building another gymnasium on the bottom oval. We are fundraising for this exciting opportunity.

Years ago we did a fundraiser for our Lecture Theatre and allowed families to purchase bricks. This opportunity now exists for the much needed 2nd gymnasium. The number of characters allowed on a brick is 17 per line with a maximum of 3 lines.

Bricks will cost **\$120 per brick** into the **School Building Fund**. (This will be a tax deductible donation). I thank everyone in advance for their generosity and support.
