Last week children celebrated Mother's Day by making amazing coupons and cards for their mothers. The mothers were happy to receive their cute little token of love.

There was lockdown drill which made them aware of how to handle the situation when they have to stay in if there is an intruder. Children actively participated and followed the drill.

Upcoming weeks, we'll be celebrating World Bee Day to bring awareness and elaborate children's knowledge about the bees & how they are connected to our environment. Children will be engaged in learning life cycle of bees, candle making, vegetable bug cooking and many more.

In the last week of this month, we will celebrate National Reconciliation Day.

Activities coming up

- Bee wax candles
- Bubble wrap bee hive art
- Rainstick sensory bottle
