

Playgroup for Children

In our First Steps Playgroup you will learn new information and meet other families while your child is learning play and communication skills. It also provides the opportunity for you to talk to our experienced Early Intervention Therapists and Play Leaders. This Playgroup is designed for children under 6 years of age displaying:

- Delays in their communications skills
- Difficulty playing and engaging with their peers or siblings
- Interest in a limited range of toys and activities
- Delayed or unusual play skills
