Date 12th September 2022

Oatlands Primary School – Your OSHC

Welcome everyone to another fortnightly update for Your OSHC.

This fortnight, we prepared to celebrate Fathers Day, with the children decorating wooden “dad” stencils.

We also continued working on our Vegetable Garden, some of the children are really enjoying planting seedlings and caring for our garden outside.

Warmer Weather

With the warmer weather approaching, it is timely to remind everybody that we must remain Sunsmart.

Please ensure the children have their hats in their bags.

End of Term

The school term finishes on Friday 16th September, so the school will be breaking up early. Your OSHC will be open from 2.30pm for your child's care.

Rocketeers

Enrolments are still open for the Rocketeers program, please see flyer attached.

Happy holidays to you all!

Saskia and Team – Your OSHC
