

Online Literacy and Numeracy Assessment 2025

Year 11 & 12 students will sit a series of online assessments in order for them to demonstrate the minimum requirements in Reading, Writing and Numeracy. Students who have already achieved Band 8 or higher in Year 9 NAPLAN, Year 9 OLNA, or previous OLNA opportunities will not need to sit the test.

The Online assessments must be conducted in a formal way and treated seriously as students need to demonstrate the standard in order to achieve their WACE at the end of Year 12.

The timetable for completion of the assessments is below. Apologies for the disruption that this will inevitably cause to class schedules.

Considerations

Location- Classroom 2 and/or Classroom 1 (when needed) – students will use College computers to sit the OLNA.

Duration- each assessment is indicated on the following page, plus associated start up/pack up time.

Staffing- see below.

Instructions to students at start of test- supervising staff member will provide and then stay with students sitting test.

Students not sitting assessment- at this stage students will remain in their normal timetabled class (or combined with another class) continuing with their course work, and then will join their class once the test is completed.

Room changes- some classes will need to shift to accommodate testing in Room 1& 2. Classes normally timetabled to Room 1&2 will need to shift to the room indicated in the schedule below under 'Rooming Changes'.
