

GET TO KNOW THE OSHC STAFF

HI MY NAME IS Belinda

Qualified Educator

What am I currently studying?

I am currently studying to be a teacher through UniSA and have a passion for all things artistic and technology based.

How long have I been at OSHC for?

I have been at OSHC for a year.

About me:

I wanted to be a teacher because of the ones I had growing up through Good Shepherd having finished my journey here in 2009. I also went to Endeavour College where they supported me in sharpening my artistic skills and I graduated in 2014. In my free time I love to draw, sing in the church band, play video games, play board games, walking my dog and watching movies with my husband. Recently I have stepped out of my comfort zone and am going to Japan which is exciting. I have never had the opportunity to go overseas before so it will be fun to stretch my wings and explore a different culture. Growing up I was always interested in anime and games such as Super Mario and Pokémon, so I am going to have a great time in the land where they were created.

What do I love the most about working at OSHC?

What I love most about working at OSHC is our calm go with the flow aptitude and talking to the students. There is nothing better than hearing about a student's day or crafting a story with them where you are the main characters. It is fun to play with them and help them feel comfortable before they get picked up.

Do I have any Pets?

I have a jack russel named Anya and a bright orange cat named Jay.

My Favourite Colour Is?

My favourite colours are pink, purple, blue, and light yellow.
