Welcome back everyone! We currently have places available in before school care each day however after school care is still booked out each night. For waiting list options please see OSH staff.

A reminder that under the fair use policy families can cancel sessions they don't require for a term block without it affecting their overall usage, with bookings resuming again the following term. Cancellations need to be made in the first week of term. Please contact our office for further information on the fair use policy.

Have a great week!

Thanks,

Miranda Boulton and the OSH team.
