Recycle and Reuse activity at St Johns OSHCLUB.

## WHAT'S BEEN HAPPENING...

### Children focus on leadership and sustainability

This fortnight, our focus has been on leadership and sustainability practices at OSHCLUB.

Children actively volunteer to lead activities that they have agreed on during the children meeting from the week before.

Children are very keen to be involved in Bicarb-soda Volcano experiment, building a new Tepee, making clay characters and loose path projects.

We have different recycle and reuse materials on the table and children can create their own innovation and creation.

## SPECIAL ANNOUNCEMENTS

Welcome to New Coordinator, David

Novita is going for maternity leave from 17<sup>th</sup> December 2020.

## POLICY CORNER

### Sunsmart Policy

## RECIPE

### Fruit Jelly Cups

#### INGREDIENTS

85g packet Aeroplane Jelly  
Mango

1 pear or 1 peach

Grapes slices

Strawberry slices

#### METHOD

Mix jelly crystals following packet directions. Peel and deseed pear or peach and puree in a blender. Mix puree into the jelly and divide among cups. Throw in grapes and strawberry slices and put in the fridge to set.
