### **UAC News on Dates**

A reminder that following the announcement by NESA that HSC results will be released at 6.00am Friday 18 December, some of UAC's key dates for Year 12s have changed as follows:

- ATARs released: 9.00am Friday 18 December
- Deadline for changing preferences for December Round 2: midnight Saturday 19 December
- December Round 2 (main round) offers released: 7.30am Wednesday 23 December.

### **UTS Entry Pathway Through Aptitude Assessment**

#### **Registration closes midnight Tuesday 22 September 2020**

Tuesday 29 September 2020, 10.00am

Free to do. The aptitude assessment is an opportunity for students to demonstrate their potential, and possibly secure an offer to study at UTS Science. The assessment is designed to assess your analytical and critical thinking skills. It is a general knowledge based assessment and there is no need to study for it.

### **UTS Support your UAC application with the Engineering and IT Questionnaire**

The questionnaire closes on **Thursday 17 December 2020**.

If you fall short of the ATAR by 1–3 points, we will still consider your application if you complete the questionnaire and demonstrate a strong motivation to study engineering or IT.

It takes just 20 minutes to complete, so give yourself the best chance to get into your preferred course at UTS.

### **Online Journalism Units Open to Senior Students**

Would you like a taste of journalism? Studying journalism can develop your writing and research skills, as well as introducing you to the exciting world of media.

Senior high school students may now apply to enrol in one or two subjects from the Diploma of Journalism. Eligible students would benefit from a strong interest in news and current affairs. Access to computer and internet essential.

Jschool is an Australian College of journalism established to provide industry-relevant education and training for students seeking careers as journalists.

Jschool's Diploma of Journalism is a unique vocational course that prepares students for entry-level positions in newspapers and other news organisations. It may be studied online, full-time over one year or part-time over two or more years.

Focus of the course is the development of practical skills alongside relevant theory and professional education, including law and ethics.
