Eftpos Machines – Tap-and-Go

Dear Parishioners,

This weekend we will be introducing two Eftpos
machines as an alternative for the 1st and 2nd
collections. (Collections will be as normal)

The introduction of these machines to the parish
will not impact on the way you prefer to contribute
to these collections.

As we have progressed to a much more cashless
society these machines are for those parishioners
who prefer to contribute in this way.

If you are a regular contributor to the 2nd collection,
please note that contributions via the machine will
be anonymous and won't be included in your yearly
receipt.
