

# VINNIE'S WINTER CLOTHING DRIVE

Do you have pre-loved clothing in good quality condition taking up space in your wardrobe? By donating to our Vinnie's Winter Appeal your clothes will get a new life, support many Australians doing it tough and reduce landfill and the impact on the environment.

It's easy to donate – just drop off your clothing to the Second Hand Uniform Shop at the College Reception from now until Tuesday 13 July. You can even bring your items in during the second week of the holidays too, so now is a great time to go through your wardrobe! If every student and staff member brings in just one item we can donate over 1,000 items of clothing to Vinnie's!

**Please donate to this important cause.  
Items should be in new or near-new condition.**
