## Around the Grounds

### 6A

The 6A's fronted up again this week having trained the house down. Kicking, marking, and general ball use was improving. The game was fast paced leaving our defenders to scramble early in the first half. Our contested marking was a strength which was a major plus leading into the back end of the game. Focus at training this week will be intent around the contest. And playing to the best of your ability at all times.

### 6B

A hard-fought contest this week for the 6Bs, who battled hard against a polished Iona side. The boys matched it with their opposition for large stints of the match however failure to hit the scoreboard left us a little short. Plenty of positives to take into next week.

### 5A

Great effort by the boys to comeback in the final quarter after being down 2 goals. The midfield is starting to gel together now and is winning contests with ease. Could easily have been a 6-7 goal win if we converted our opportunities.

### 5B

This week the 5Bs played their best game so of the season from a tactical and effort stand point. The team is pumped and ready for next week's Padua game. The boys will put in two good training sessions in preparation.
