

HOMework

WEEK 2, TERM 2

READING

Read every day for at least **20 minutes**. Record your reading in your diary including, book title and pages read.

THE RESILIENCE PROJECT

Every day complete the 'GEM Chats' section in your diary. This is your daily reminder to practice positive affirmations and mindfulness.

SPELLING

This week you will use your 8 focus words that include the SMART Spelling focus of the week. Practice your spelling words every day.

You also need to complete each of the Spelling Tasks below throughout the week.

SPELLING TASKS

Definitions

Write each of your words, then research the meaning of each one. Rewrite the definition in your own words.

Meaningful Sentences

Write out your words in a list. Now write each of your words in a sentence.

Alphabetical Order

Write out your words in a list. Write your words in alphabetical order.

Short Story

Use each of your spelling words once to write a short story.

WRITING

Write a made-up story about your time at camp. This is a narrative, not a recount, so you can be creative and add adventure, mystery, humour, or even something unexpected happening! Your story should be **1-2 pages long and handwritten in full sentences with detail**.

Follow the structure:

1. Orientation (Beginning)

Introduce the setting (camp – where are you?)
Introduce the characters (you, friends, teachers, or made-up characters)

2. Complication (Problem)

Something goes wrong or something exciting/unusual happens

3. Resolution (Ending)

The problem gets solved/explain how everything turns out

MATHS

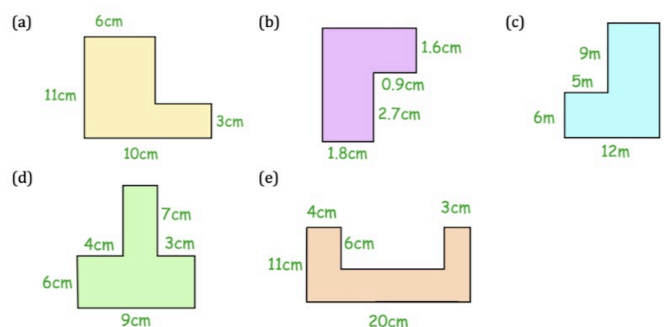

Use the vertical algorithm to work out the following multiplication questions. Make sure you include your working out.

- | | |
|---------------------|------------------------|
| 1. $34 \times 6 =$ | 6. $125 \times 6 =$ |
| 2. $58 \times 7 =$ | 7. $134 \times 27 =$ |
| 3. $72 \times 8 =$ | 8. $256 \times 43 =$ |
| 4. $46 \times 23 =$ | 9. $324 \times 125 =$ |
| 5. $89 \times 34 =$ | 10. $468 \times 237 =$ |

Use the bus stop method (short division) to work out the following division questions. Make sure you include your working out.

- | | |
|-------------------|---------------------|
| 1. $17 \div 3 =$ | 6. $424 \div 9 =$ |
| 2. $29 \div 4 =$ | 7. $1057 \div 4 =$ |
| 3. $43 \div 5 =$ | 8. $236 \div 15 =$ |
| 4. $68 \div 6 =$ | 9. $584 \div 16 =$ |
| 5. $195 \div 8 =$ | 10. $829 \div 24 =$ |

Find the perimeter and area of the following composite shapes.
