PURPOSE

To outline the processes that Koo Wee Rup Secondary College will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-connected work: work authorised by the school governing authority/provider of a school boarding services and performed by an adult in a school or school boarding premises environment while children are present or reasonably expected to be present.

Child-related work: As defined by the Worker Screening Act 2020 (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, step-parent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- *carrying out the functions of a school council*
- *any activity carried out for the welfare of a school, by the school council, any parents/carers' club or association or any other body organised to promote the welfare of the school*
- *any activity carried out for the welfare of the school at the request of the principal or school council*
- *providing assistance in the work of any school or kindergarten*
- *attending meetings in relation to government schools convened by any organisation which receives government financial support.*

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (i.e. indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Koo Wee Rup Secondary College is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Koo Wee Rup Secondary College also recognises the valuable and significant contribution that volunteers provide to our school community and the work that we do. Volunteers shall be treated with respect and engaged in activities that are safe, appropriate and supported by designated staff.

The procedures set out below are designed to ensure that Koo Wee Rup Secondary College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

BECOMING A VOLUNTEER

The Principal or College Council may seek volunteers formally through the school communications, invitations or personal approaches, as well as informally through conversations.

SUITABILITY CHECKS INCLUDING WORKING WITH CHILDREN CLEARENCES

WORKING WITH STUDENTS

Koo Wee Rup Secondary College values the many volunteers that assist in our breakfast program, classrooms, sport events, musical and other events and programs. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the Child Safe Standards, Koo Wee Rup Secondary College is required to undertake suitability checks which in most cases will involve asking for evidence of a Working with Children (WWC) Clearance and may also involve undertaking reference, proof of identity, qualification and work history involving children checks.

In the case of nominating for school council, the person must already hold a WWC Clearance to be eligible to nominate (it is not possible to nominate with only an application for a WWC Check).

Considering our legal obligations, and our commitment to ensuring that Koo Wee Rup Secondary College is a child safe environment, we will require volunteers to obtain a WWC clearance and produce their valid card to the Administration Office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

NON—CHILD-RELATED WORK

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example: volunteering for garden working bees, or other groups/events that occur in the evenings during which children will not be, or would not reasonably be expected to be, present.

At Koo Wee Rup Secondary College, volunteers for this type of work will still be required to provide a valid WWC Check and may be required to undertake suitability checks such as proof of identity, work history involving children and/or reference checks.

TRAINING AND INDUCTION

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Koo Wee Rup Secondary College may also require volunteers to complete additional child safety training.

MANAGEMENT AND SUPERVISION

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This includes the requirement to follow our school's policies, including, but not limited to our Child Safety and Wellbeing Policy, our Child Safety Code Conduct and Statement of Values and School Philosophy.

Volunteer workers will also be expected to act consistently with department policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal (or their nominee) will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Koo Wee Rup Secondary College.

PRIVACY AND INFORMATION-SHARING

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the Schools' Privacy Policy and the Department's policy on Privacy and Information Sharing.

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors
- make reasonable adjustments to accommodate the student's disability
- provide a safe and secure workplace.

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on processes and practices for identifying and responding to child abuse, refer to Koo Wee Rup Secondary College'ss: Child Abuse (including grooming) – Identification and Response Policy and Procedures.

RECORDS MANAGEMENT

While it is unlikely volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for must be provided to the Business Manager to ensure they are managed in accordance with the Department's policy: Records Management – Schools.

COMPENSATION

PERSONAL INJURY

Volunteer workers are covered by the Department of Education and Training's Workers' Compensation Policy if they suffer personal injury in the course of engaging in schoolwork.

PROPERTY DAMAGE

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

PUBLIC LIABILITY INSURANCE

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in schoolwork is legally liable for:

- a claim for bodily injury to a third party
