

Dear Parents,

How exciting!! The Premiers' Reading Challenge for 2025 is up and running!

Last year Holy Spirit students read over 1000 books. Since the Challenge has began, more than 4.3 million young Victorians have read more than 60 million books.

The PRC challenges students to read a number of chosen books within a timeframe. This challenge is a fun and practical way for students to develop positive reading habits at home and to promote discussions about books and a love of reading.

Your child is invited to take part in the PRC challenge for this year. *Please note this is not compulsory and your child does not have to take part if they do not wish to.* Your child's online account details have been created and will be sent via your child's class Dojo.

Guidelines for the PRC:
