What's been happening...

Healthy Bodies & Minds!

Hello to our families and children!

We hope your start back to this term has been good, these past 2 weeks at OSHClub we have been focusing on making our bodies and minds healthier.

In our Rise and Shine sessions we have started doing morning meditations and yoga. Trying lots of different kinds to see what the children enjoy the most. Our focus has also been on having healthy and yummy breakfasts to help our brains think properly.

During our Stay and Play afternoon sessions we are ensuring we are doing one physical group activity picked by the children to get them moving in fun and social ways with their peers.

The children have seemed to really enjoy this and are participating well, they are trying new things and exploring the world around them.

That's all from us at OSHClub, Have a wonderful week :)
