When looking for placements...

- Think of your passions and interests and research workplaces associated with these.
- Use your Morrisby Profile for support in looking up industries and occupations you may be interested in.
- Use your networks - talk to your family, friends, friends parents, parent's friends teachers, coaches, community leaders...etc.
- Start contacting interested organisations. Remember to stay positive if your desired workplace does not offer work experience.
- Some organisations may require you to complete an application form and some may ask you to submit your resume. If you would like help work experience support is going to run every Wednesday.

Placements are required to be separate from your part time or casual job.
