

## Deer Park West Parent/Caregiver/Guardian Opinion Survey 2021

It's that time of the year again when at Deer Park West Parents/Caregivers & Guardians have the opportunity to complete an opinion survey. This survey enhances communication by allowing us to understand your opinions, attitudes and perspectives towards your child's education and the school. Completing the survey is an opportunity to have a voice and acknowledge what is working well and/or what is not working well.

Your feedback will be used to inform and direct our future school planning and improvement. Together we can implement strategies to achieve greater educational experiences. As you can see by the data below we have taken on board your feedback and the data continues to improve each year.
