WESTERN BUILDING BLOCKS

27 June – 1 July

LEVEL
CROSSING
REMOVAL
PROJECT

FREE DAILY
KIDS ACTIVITIES,
AGES 3-7

We're laying the foundations for future engineers, designers and construction workers

Join us for free daily interactive sessions, where children aged 3 to 7 can learn what goes into building level crossing removal projects. We'll use large scale building blocks to help kids create their own road bridge, underpass and rail bridge, replicating local projects at Robyns Road, Fitzgerald Road and Mt Derrimut Road.

For more information, contact the project team on **1800 105 105** or contact@levelcrossings.vic.gov.au
