June/July School Holiday Craft Activities

Hamsa Art

This ancient hand shaped amulet can be found in many cultures around the world. We will be designing our own and drawing or embossing our designs in tin foil. Come along to get creative and learn more.

Balloon Tennis

Fun for the whole family. We'll get creative decorating our paper plate 'racquets', then the game really begins. This is a great craft activity for all ages.

June/July School Holiday Craft Activities

Paper Stars

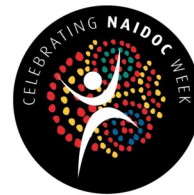

Draw patterns and designs and colour with bright, beautiful colours. Then with a bit of cutting, folding and gluing we'll create these sculptural paper stars. Make a few and hang them from a mobile.

Fibre Feathers

Ages 7+

This is one for the slightly older kids (& grown-ups). We'll be using a simple macramé knotting technique with wool to make some beautiful fibre feathers.
