

Hello families, welcome back to OSHClub and 2026! We hope you had a happy and safe festive season and are settling back into the school routine. It's been lovely to see some familiar faces and meet new families and children.

What's been happening:

Over the summer holidays we had a Summer Camp themed program. It was filled with fun, friendship and memorable experiences for the children. Two standout highlights were the picnic day, where everyone enjoyed making their healthy lunch and sat together on their picnic rug that they collaborated on and designed. The second in service highlight was their water play day, where the children donned their swimmers, hats and sunscreen and played many different water based activities on a perfect summer day.

The children also were super excited for our excursions to see Zootopia 2 in the cinemas, jumping their way through BounceInc and all it had to offer and our wet and wild action packed adventure to inflatable world where the children had a splashtastic time in and out of the pools and inflatable slides and soccer, dodgeball and nerf battles.

Throughout this week the children and educators have been collaborating on OSHClub expectations and what leadership roles they would like to have. So far we have the following roles up for grabs:

- Sustainability captain
- Wellbeing leader
- Sport captain and
- Arts and craft captain.

If the families would like to me any suggestions please reach out!
