Parenting Seminar Helping Your Anxious Child

It can be difficult being a parent and watching your child struggle with anxiety. Early support can help children learn to understand their anxiety and provide some practical coping strategies to manage challenging situations.

This practical seminar is suitable for parents with preschool or early primary school aged children who are concerned about their child's anxious behaviour. You will learn helpful ways of responding to and supporting your child with anxiety.

What is covered?

- Common types of anxiety in children
- Helpful responses to children's anxiety
- What to avoid saying or doing
- Where to go for further help
