10	Submit your selections online via Web Preferences. Refer to your login slip for access details and instructions.	

VCAL Expectations

I understand in undertaking the VCAL course that I will need to meet the following expectations;

1. Attend school as my first priority. Undertaking additional training and associated employment activities requires authorisation from the VET/VCAL Coordinator
2. Attend all MSC in Action afternoons if not a member of the Monivae College Cadet Unit (Year 11 students only)
3. Participate willingly in all VCAL associated activities (some may involve out of school hours and off campus visits)
4. Keep up-to-date with work in both VCE and VCAL classes (documentation is vital in VCAL)
5. Be cooperative and respectful to students and teachers at all times
6. Be an active participant and contributor during PDS and WRS projects
7. Attend work placement each Thursday and undertake associated VET training as a requirement of the VCAL course.
8. Represent the College appropriately when working with the community and other outside organisations in a mature and responsible manner
9. Understand the VCAL classroom as a work preparation area and hence all behaviour must meet standards that would be expected in any workplace
10. Be responsible in returning all forms and work on time as directed by subject teachers and VET/VCAL Coordinator
11. Failure to meet any of these expectations will result in a meeting to review options relating to the continuation of this course (e.g. behaviour monitoring cards, regular meetings with VCAL & Year Level Coordinator, academic progress meeting with parent)
