

PORT MELBOURNE TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Dear TeamKids Families,

We are excited to update you on the smooth and successful start to Term 4. Our Spring Holiday Program was a wonderful experience, filled with excursions, incursions, and in-house activities that kept the children engaged and entertained. The excursions to the movies and the Dog Man theatre show were particular favourites, bringing lots of fun and laughter for all.

In the first two weeks of Term 4, children have enjoyed a wide range of fun and educational activities. From arts and crafts to STEM challenges, chess competitions, and club activities, there has been something for everyone.

One of the highlights was our Henley on Todd Regatta – Aboriginal Festival. Inspired by the movie Kangaroo shown during our holiday program, we introduced children to this unique festival. Using recycled materials, children designed and built their own boats and raced them outside on the soccer pitch. The activity was inclusive, collaborative, and educational, allowing children to explore creativity, teamwork, and cultural awareness in a fun, hands-on way.

Another exciting introduction has been the Chess Leadership Board. Children have eagerly competed to rank high, which has encouraged strategic thinking, problem-solving, and friendly competition, making learning both educational and enjoyable.

The Craft Station has continued to be a hub of creativity, with many children exploring different materials and making a variety of imaginative creations.

We look forward to the rest of Term 4 with more exciting activities, learning opportunities, and fun for all the children at TeamKids Port Melbourne PS.

TEAMKIDS CLUBS ASC WEEK: 1 & 2
