

## What's been happening...

### Welcome back!

Hello to our families and children!

Welcome back for Term 4! It has been such a busy time for OSHClub, we were so happy with the attendance during the Holiday Program with 35 children booked in on the 1st day! The children were so interested and engaged well in all the activities planned as well as during our incursions and excursions. We had positive feedback from families and children, and we are already planning the summer activities.

This past week, we have ordered new resources to revamp our Indoor environment and freshen up our displays. We critically reflected on what our goal for this term will be, and we decided to explore cultural aspects from other countries as well as engaging with our local community.

We are currently setting up a community pantry where the supply is donated and given by people who have a surplus amount or want to help others while those that are in desperate situations can take what they need.

See you all soon, have a great day :)

## Coming Up

Oct  
24

### Diwali

A festival of lights

Oct  
26

### Children's Day

A better future for every child

Oct  
31

### Pupil Free Day

Theme to be confirmed

## Special Announcements

### OLA OSHClub - School Fete

We are super proud to announce that our OSH is going to be present at the school Fete in November. We will be there with some fun activities and goodie bags.

## Community Projects

### Family & Community Engagement

For this Term we are organising to collaborate with St. Vinnies and do a big cookout to support the people in our community without a home.

This is a project we also did last year, and they were so grateful for our help.

We are also setting up a community pantry. Please, If you have a surplus of canned food, pasta, rice or other goods you can donate, we will be happy to have them. At the end of the Term Items will be donated to St. Matthews church to go towards Matt's Place.
