

Welcome

We have enjoyed this terms crafts and activities which have been community based. We have celebrated Halloween, making spider biscuits, bats, monsters and lollypop ghosts. We acknowledged the Melbourne Cup by engaging in a project, "all about horses", enjoyed the Aitken Twilight event, with Jeff and Steve organising games and competitions throughout the evening, for all students, and we celebrated Diwali by making colourful, decorated lanterns and cooking a cultural coconut rice dish. This week we will be focusing on bird crafts and exploring Thanksgiving.
