

Footy Colours Day

Friday, 15th September

Come dressed in your favourite Teams Club gear

All proceeds will be donated to L'ARCHE.

The Shepparton L'ARCHE is a community group affiliated with the St. Brendan's Parish who are now renting a home. Initially, this will be a gathering place for people with an intellectual and/or physical disability. The committee is seeking financial donations to purchase new household items.

Support your favourite AFL team by bringing a gold coin donation to put in your team's money box.

The three teams with the most money raised will have their song played over the PA at different times throughout the day.

Please donate generously, as we are supporting a wonderful cause.
