WHAT'S BEEN HAPPENING

Spring Holiday Program Recap

Our Spring Holiday Program was a great success. The children enjoyed an exciting mix of excursions, incursions and in-house activities, creating wonderful memories and opportunities to learn, explore and connect with friends. Some of the highlights included our excursion to Werribee Open Range Zoo, where children enjoyed an exciting wildlife experience, and our movie excursion, complete with fresh popcorn. Our incursions were also a big hit, particularly VR Escape and Footy Fever, which encouraged teamwork, problem-solving and active participation.

Welcome to Term 4

We have kicked off the term with two fantastic weeks of fun, creativity and collaboration. Children participated in club voting and planning, sharing their interests, voting for their favourite clubs and suggesting activities they would love to see throughout the term. This supports child agency by ensuring children's voices and ideas help shape our program.

Alongside our popular STEM and Cooking Clubs, we are excited to introduce four new clubs this term: Basketball Club, Soccer Club, Tennis Club and Slime Club.

We look forward to launching our clubs in Week 3, with plenty of opportunities for children to explore their interests and learn new skills!

Highlights from Weeks 1 & 2

Our first two weeks have been filled with exciting activities, creative experiences and team-building challenges. Children particularly enjoyed: Clay Crafts, Slime Making, Minecraft Air Hockey, Team Twister, Soccer and Run If Game. Staying active, developing physical skills and enjoying games with friends. The children have shared lots of positive feedback, and it has been wonderful to see their enthusiasm, creativity and willingness to try new experiences.

Thank you for being part of our TeamKids community. We look forward to another fantastic term filled with fun, learning and memorable moments.

TEAMKIDS CLUBS ASC WEEK: 1 & 2
